Chapter 1 by melody

Happiness is a feeling,
I will never have that feeling.

My happiness has long ago died,
Along with my soul as the rain outside is showering.

Happiness can bend and break,
But sadness will stay with you forever.

My happiness ended the day I died,
And my family grieves my death.

I hate the way that I can't hold them,
the way I scream I'm here,
the way I try to hold them close,
But in the end I am dead.

So far the end is near,
but my end is never here!

Chapter 2 by Ashley Lawson

The darkness haunts me,

The shadows ask to play.
The death stalks me.
The pain comes back each day.

Your kiss wants me.
Your arms envelop me.
Your smile taunts me.
Your love continues to develop.

My monsters devour me.
My hurt just doesn't go away.
My thoughts empower me.
My demons decide to stay.

It tries to take over.
It tries to make me crazy.
It tries to thrive.
It strangles me with its cords of daisies.

I try to survive.
I try to be human.
I try to just stay alive.
I may as well be heading to my own execution.
